

CXANZ Double Deal Registration Discount

Up to 45% Off for Chrome Enterprise Premium + Citrix Secure Private Access

Promotion Period:

- Valid from 1 September 2025 to 31 March 2026
- Orders must be submitted before 31 March 2026
- Subject to CXANZ approvals
- Up to 45% deal registration discount in addition to standard CXANZ partner discounts

Who's Eligible?

This offer applies to all new opportunities with existing or new Citrix Commercial customers across Australia and New Zealand (ANZ).

What's the Offer?

CXANZ is doubling the standard deal registration discount from 15% up to 45% for new opportunities involving:

- Google Chrome Enterprise Premium (CEP) & Citrix Secure Private Access (SPA)

Why Chrome Enterprise Premium + Citrix SPA?

Secure Enterprise Browsing

Chrome Enterprise Premium offers advanced security features including:

- Data Loss Prevention (DLP)
- Malware deep scanning
- Phishing protection
- URL filtering and categorization
- Web usage analytics

Zero Trust Access with Citrix SPA

SPA enables secure access to private and SaaS applications with:

- Granular access policies
- VPN replacement capabilities
- Seamless integration with CEP for browser-based security

Key Use Cases

- Managed Browser for Compliance: Enforce security policies across user sessions
- VDI Cost Reduction: Shift web app delivery from VDI to browser-based access
- VPN Replacement: Adopt Zero Trust Network Access (ZTNA) for modern security
